SUMMARY

London-based creative designer and incoming MA Information Experience Design student at the Royal College of Art, with a First-Class BA in Visual Communication. Experienced in translating business and audience needs into campaign visuals, brand identities, merchandise and product assets across online and offline touchpoints—from ideation and stakeholder collaboration to production-ready delivery. Proficient in Figma, Adobe and practical AIGC workflows, with short-form content experience across TikTok, Instagram Reels and YouTube.

INTERNSHIP EXPERIENCE

KAILAS Sports Technology Co., Ltd.

Mar - Apr 2026

Visual Marketing Intern

・Developed cycling apparel visuals, color specifications and five colorway proposals; delivered technical breakdowns and production files for sampling and supply-chain coordination.
・Designed campaign logos, key visuals, posters and on-site assets for brand cycling events, supporting recruitment, communications and participant experience across multiple touchpoints.

PawLogic Inc.

Jul 2026

Overseas User Growth / AIGC Workflow Intern - DramaLand

・ Researched YouTube, TikTok and Instagram audiences, defined three core user personas, and built a **Hook - Pain Point - Product Demo - CTA growth-content** framework.
・ Produced four overseas campaign videos (one YouTube hero film and three TikTok/Instagram Reels), covering scripts, storyboards, AIGC generation, voice-over, subtitles and post-production.
・Created an IP-asset-first workflow to improve cross-shot character/style consistency; converted the process into a six-module AI Content Workflow SOP for team reuse and agent-based production.

SELECTED COMMERCIAL

Jingzhou Museum Cultural-Creative Design

May - Dec 2024

・ Researched Shijiahe pottery culture and translated ceramic bird/elephant motifs into **four IP graphic systems**; independently delivered the logo, packaging, posters, umbrellas, hangtags and production-ready files.
・ Launched the products online and offline **(RMB 560+ GMV; 17 orders)**, earned **official BCU Design Week** coverage, and built a research-to-design-to-product-to-content case-study chain.

Rotpunkt (Rock Climbing Brand)
